Simple Living & High Thinking

The eternal and scientific system of "daiva varnasrama dharma" (divine social occupations) promotes a lifestyle and culture centered on land, cows and devotional service to Godhead, Lord Sri Krishna. The objective is to elevate one to the mode of goodness and beyond. In our present Age of Kali (Age of Quarrel), the process recommended for self-realization as taught by Lord Caitanya Mahaprabhu is the sublime chanting of the Lord's holy names, the Hare Krishna Maha Mantra, the basis of a peaceful global revival.
